## Organto Foods to Resume Trading on the TSX Venture Exchange

**Toronto, Canada and Breda, Netherlands, March 11, 2025 - Organto Foods Inc. (TSX-V: OGO, OTC: OGOFF) (“Organto” or the “Company”)**, is pleased to announce that its common shares will resume trading on the TSX Venture Exchange effective at the market open on Wednesday March, 12, 2025.

Steve Bromley, Chair and CEO of the Company commented, “I am very happy to announce to our shareholders that we have finally completed all steps required to have our stock reinstated for trading. We appreciate the support and understanding of our shareholders and our team members who have supported us during this reinstatement process, and we look forward to continuing to build our business focused on serving healthy food products to health-conscious consumers. Even though we have not had the benefit of a liquid market for many months, we have worked very hard to turn around the business operations of the Company (see news release of March 7, 2025). Now that we have brought the Company up to date with its financial and related filings, we fully intend to recapitalize the Company and put it in a solid position to build on the business momentum we have achieved.”

ON BEHALF OF THE BOARD
